Pandemic Pedagogy in Higher Education of COVID-19

13th May, 2020

**Organized By
Department of Education, Bharathiar University, Coimbatore**

**In Association With
Department of Education, Sikkim University,
(A Central University) Gangtok, Sikkim, India.**

ABOUT BHARATHIAR UNIVERSITY

The Bharathiar University was established at Coimbatore by the Government of Tamilnadu in February, 1982 under the provision of the Bharathiar University Act, 1981 (Act 1 of 1982). The Postgraduate Centre of the University of Madras, which was functioning in Coimbatore before 1982 formed the core of the Bharathiar University. In May, 1985 the University received the recognition from University Grants Commission (UGC) New Delhi for the purpose of grants.

The University named after the great national poet Subramania Bharathi is enshrined with the motto “Educate to Elevate”. In the University, every effort is harnessed to realize his dream of making educational institutions as temple of learning. It is the aim of the University to participate in the task of inculcating necessary Knowledge, Skills and Creative Attitudes and values among the youth of the country to contribute more effectively towards establishing an equitable social and economic and secular ideal of our nation.

Under the dynamic leadership of the Vice –Chancellor Prof. Dr. P. Kaliraj, the Bharathiar university, Coimbatore is striving good to sustain and realize the CHANCELLOR'S VISION -2030 and to become a leading global higher education institution by providing a high quality education to the students in order to create a knowledgeable and equitable society, as Education 4.0 is innovation Education in the era of Industry 4.0.& 5.0.

ABOUT THE DEPARTMENT

The Department of Education, Bharathiar University was started in March,2012 with an objective of bringing out effective and efficient Teacher Educators besides ensuring quality and need based researches in the field of Education. At present, the Department offers M.Phil., and Ph.D Programmes in Education (Both Full-time & Part time). The University has proposed to start the M.Ed., Programme from 2013-2014 with due recognition of the NCTE. The Department emphasizes a shift from mass teaching to personalized instruction, single learning to multiple learning, rigid teacher dominated to flexible learner centered classroom environment. The thrust areas of research in the Department are Educational Psychology. Education Technology, environment Education, Pedagogical Techniques, Instructional Designs, Media in Education, Web –Based Learning, English Language Teaching, etc.

ABOUT THE CONFERENCE

In the light of outbreak of Covid-19 pandemic, the world is suffering and facing mortality. Several changes have been taking place in the education sector. Educational Institutions across the globe have redefining their teaching and learning mechanisms to meet the unanticipated contingencies and to facilitate active learning environment. Against this background, a One day International Conference is contemplated on **Pandemic Pedagogy in Higher Education of COVID-19** on 13th May, 2020 with a view to create awareness to the participants on Significance of Pandemic Pedagogy, Online Teaching - Tools and Adaptation, Integration of Digital Pedagogy in Curriculum, COVID and Digital Pedagogy initiations and Penetration & Integration of Digital Pedagogy in Education.

Education is the need of hour to create awareness and strengthen the psychology of learners in Higher education through the effective digital pedagogical innovations.

This Conference will enable the participants to learn the classroom management strategies through Technology Enabled Teaching; empowered to adapt online assessment strategies in teaching, to understand the Importance of Digital Pedagogy and also learn the Learning Management System (LMS).

OBJECTIVES

- 1.To create awareness on COVID-19 Pandemic
- 2.To analyse Pandemic Pedagogy
- 3.To understand Online Teaching – Tools, Adaptation and applications
- 4.To Integrate Digital Pedagogy in Curriculum
- 5.To Initiate COVID and Digital Pedagogy
- 6.To Penetrate & Integrate Digital Pedagogy in Education System
- 7.To make the students free from academic anxiety stress
- 8.To prepare students ready about what to do for their studies and examinations
